

# WINDHAM

---

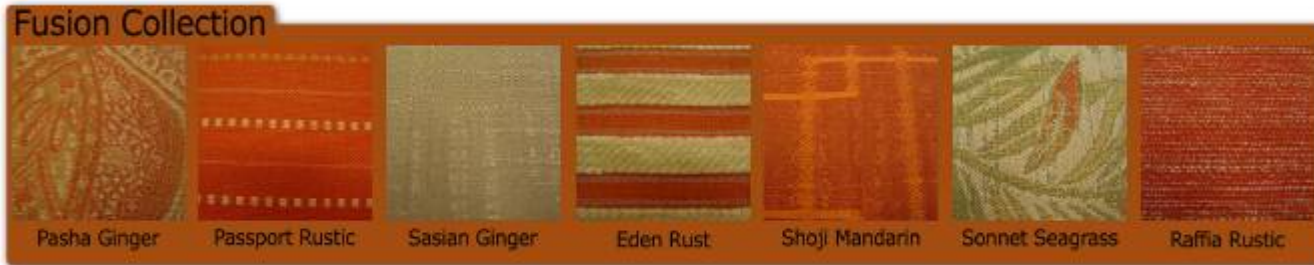

## *Tempo Collection*

Sun-washed sand blends and stout chocolate tones evoke an air of unity that allows your living space to thrive.

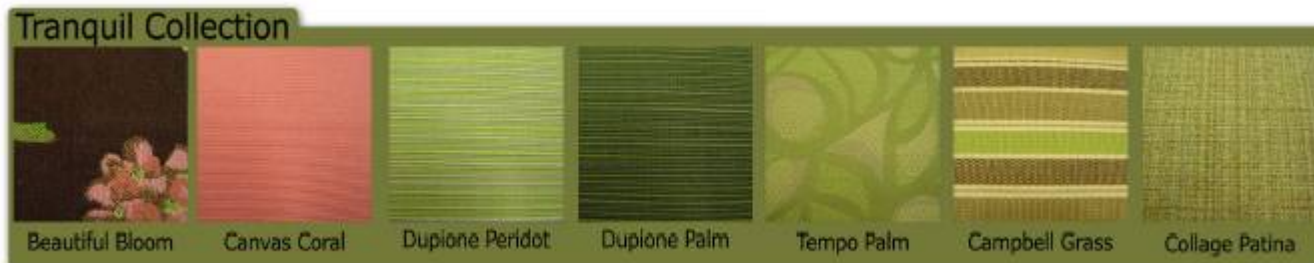

## *Fusion Collection*

The broiling rust and silky caramel tones of the Fusion Collection elicit a natural warmth from its admirer and provide your living space with an engaging backdrop.

## *Tranquil Collection*

Natural palm tones are complemented by shades of salmon and grass to offer your living space an organic appeal.

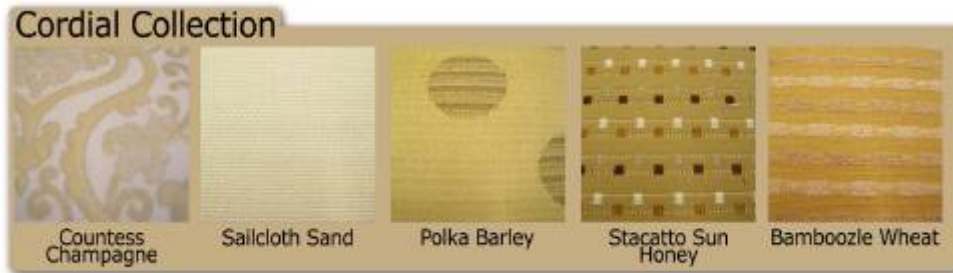

### *Flair Collection*

Temperate aqua tones soak the Flair Collection with a gentle embrace that gives your living space a brisk, mild atmosphere.

### *Cordial Collection*

Shades of champagne and honey sweep the Cordial Collection with elegance and summon an alluring beauty that helps it maintain its visceral appeal.

### *Composed Collection*

From roasting cocoa shades to balmy spa blue hues, the Composed Collection provides you with a sense of harmony and diversity.
